

Withycombe Raleigh C of E Primary School

ACCESSIBILITY PLAN

Policy Date: May 2006

Version Date: April 2018

**This Plan was adopted by the Governing Body of
Withycombe Raleigh C of E Primary School**

On 24th April 2018

This plan was formulated in May 2006 by a working party consisting of the Deputy Headteacher, Chair of Governors and Governor representatives and has been reviewed and amended by the Teaching & Learning Committee.

Withycombe Raleigh C of E Primary School strives to ensure that the culture and ethos of the school are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treats one another with respect. Pupils should be provided with the opportunity to experience, understand and value diversity.

The definition of disability is

“A person suffers a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse affect on his or her ability to carry out normal day-to-day activities.”

Physical or mental impairments can include sensory impairments (such as those affecting sight and hearing) and learning difficulties. The definition also covers certain medical conditions when they have a long-term and substantial effect on pupils' everyday lives.

We recognise:

Our duty under the Disability Discrimination Act ('95) as amended by the SENDA (2001)

“from September 2002, it will be unlawful for schools and LAs to discriminate against disabled pupils in their admissions and exclusions, education and associated services” (1)

(1). Preparation for entry to the school, the curriculum, teaching and learning, classroom organisation, timetabling, grouping of pupils, homework, access to school facilities, activities to supplement the curriculum, school sports, school policies, breaks and lunchtimes, the serving of school meals, interaction with peers, assessment and exam arrangements, school discipline and sanctions, school clubs and activities, school trips, the school arrangements for working with other agencies, preparation of pupils for the next phase of education.

Schools and LAs must:

- not treat disabled pupils less favourably; and
- take reasonable steps to avoid putting disabled pupils at a substantial disadvantage (the 'reasonable adjustment' duty)
- that Local Authority and school governors have the duty to publish Accessibility Strategies and Plans

Withycombe Raleigh C of E Primary School will also aim to work within the guidelines set out in the SEN Code of Practice and the regulations as detailed in the Equality Act 2010.

Scope of the Plan

This plan covers all three main strands of the planning duty:

1. Improving the physical environment of school for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and associated services.

This strand of the planning duty covers aids to improve the physical environment of the school and physical aids to access education. The physical environment includes things such as steps, stairways, kerbs, exterior surfaces and paving, parking areas, building entrances and exits (including emergency escape routes), internal and external doors, gates, toilets and washing facilities, lighting, ventilation, lifts, floor coverings, signs and furniture.

Aids to physical access include ramps, handrails, lifts, widened doorways, electromagnetic doors, adapted toilets and washing facilities, adjustable lighting, blinds, induction loops and way-finding systems.

Physical aids to access education cover things such as ICT equipment, enlarged computer screens and keyboards, concept key boards, switches, specialist desks and chairs and portable aids for children with motor coordination and poor hand/eye skills, such as extra robust scientific glassware and specialist pens and pencils.

In maintained schools the provision of a special piece of equipment or extra assistance will be made through the SEN framework and to a lesser extent through the planning duty which applies to all schools. The distinction between auxiliary aids and services provided through the SEN route and those provided under the planning duty is that the SEN duties relate to the individual, whereas the planning duty relates to the provision of aids or services in terms of the population (and future population) of the school. For example, a pupil with visual impairment might have low vision aids provided through the statement of SEN but the school might as a general measure provide blinds and adjustable lighting through the planning duty.

2. Increase the extent to which disabled pupils can participate in schools' curriculums.

This strand of the planning duty will help to improve access to a full, broad and balanced curriculum. It covers a range of elements including ensuring that teaching and learning is accessible through school and classroom organisation and support, especially deployment of staff, timetabling, curriculum options and staff information and training.

Schools will be expected to plan to improve progressively access to the curriculum for all disabled pupils although many adjustments to access will be dependent on individual needs and may be provided through the SEN framework. The accessibility strategies and plans will help to ensure that schools are planning and preparing to respond to the particular needs of individual pupils.

3. Improving the delivery of information to pupils with disabilities.

This part of the duty covers planning to make information normally provided by the school in writing to its pupils – such as handouts, timetables, textbooks, information about school events – available to disabled pupils.

This will include alternative formats such as Braille, audio tape and large print and also the provision of information orally, through lip speaking or sign language, through a recognised symbol system or ICT. This information should also be made available within a reasonable time frame and take account of the pupils' disabilities and pupils' and parents' preferred formats.

School Policies

Equality for disabled pupils is included as an implicit aim in all of the school's policies and is supported by the school's other policies including:

- Equality Policy
- Behaviour Policy
- Admissions Arrangements
- Emotional Health and Wellbeing Policy
- Curriculum Policy
- Outdoor Education Policy
- SEN Policy

Aims

Withycombe Raleigh C of E Primary School aims to include all pupils, including those with disabilities, in the full life of the school. Our strategies to do this will include:

- having high expectations of all pupils
- finding ways in which all pupils can take part in the full curriculum including sport, music, and drama
- planning out-of-school activities including all school trips and excursions so that pupils with disabilities can participate
- following Devon County admissions policy and criteria which does not discriminate against pupils with disabilities or treat them unfairly
- devising teaching strategies which will remove barriers to learning and participation for pupils with disabilities
- planning the physical environment of the school to cater for the needs of pupils with disabilities
- raising awareness of disability amongst school staff (teaching and nonteaching) through a programme of training
- by providing written information for pupils with disabilities in a form which is user friendly.
- by using language which does not offend in all its literature and make staff and pupils aware of the importance of language.
- by examining our library and reading books to ensure that there are examples of positive images of disabled people

Actions to ensure equality for pupils with disabilities

1. We will undertake a disability audit on a 3 yearly cycle or if we are preparing to admit a child with a disability.
2. As a result of the audit, we shall:
 - write an action plan which includes targets
 - make Accessibility Plan known to all teaching and support staff, pupils and parents
 - monitor the success of the Plan
 - the Accessibility Plan will be reviewed annually by the Teaching and Learning Committee. The Governing Body will report on how targets, when set, have been met.

Monitoring

Withycombe Raleigh C of E Primary School recognises that monitoring is essential. To ensure that pupils with disabilities are not being disadvantaged, And that monitoring leads to action planning. We will monitor :-

- Admissions
- Attainment
- Attendance
- Punctuality
- Effects of pastoral strategies
- Exclusions
- Selection & recruitment of staff
- Governing body representation
